

INVITATION FOR CAMPUS RECRUITMENT PROCESS FOR DET **BUILD THE NATION AS YOU BUILD YOUR CAREER!**

Larsen & Toubro is a major Indian multinational in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seventy five years.

L&T Construction, India's largest construction organization and ranked among the world's top 30 contractors, has been over the past seven decades transforming cityscapes and landscapes with structures of immense size and grandeur. The company's capabilities span the entire gamut of construction - civil, mechanical, electrical and instrumentation engineering - and its services extend to all core sector industries and infrastructure projects.

To cater to our growing business requirements, we need young, smart, dynamic, result-oriented **Diploma Engineer Trainees**.
