ACADEMY

Academy for Skill Development

**ArcelorMittal Nippon Steel India
Academy for Skill Development
invites applications for
DIPLOMA ENGINEERS**

We are looking for Diploma Engineers through Campus hiring. We require 2022, 2023 pass out and 2024 passing out Diploma Engineers (Male/Female Candidates) from Ceramic, Civil, Chemical, Computer, Electrical, Instrumentation, Mechanical, Metallurgy, Electronics & Communication Engineering discipline.

We strongly believe in Gender Diversity in workforce, hence female candidates are also equally encouraged to apply.

We are planning to conduct a recruitment drive 2024 at your campus in 2nd Week of March - 2024. Campus dates will be confirmed shortly.

The selected candidates would have the opportunity of rigorous training of four years where they would be trained for various jobs of operation and maintenance in process plants.

Career Opportunity

Selected Candidates will also get an opportunity to enroll for a **Bachelor's degree in Steel technology / Bachelor's degree In Green and Renewable Energy** through UGC-recognized Kaushalya-The Skill University of Government of Gujarat.
